

## **CONFESSIONS OF FAVOUR, ABUNDANCE, AND FINANCIAL PROSPERITY**

I boldly declare and confess that by the operation of God's Light at work over the affairs of my life, I am a recipient of God's favour, abundance, and financial prosperity. I believe that the Lord has created me for a life of fruitfulness, therefore I choose to walk in this divine reality every day. I declare, every area of my life is sustained by God's grace, God's divine provision, and His limitless abundance.

I declare that as I obey the Lord and walk in His Light, I affirm that my steps are divinely ordered. Therefore, I am always in the right place at the right time. I attract the right people, resources, and opportunities that bring good success into my life. Doors of favour are continually opening to me effortlessly. My efforts are anointed and blessed; all that I touch prospers, and nothing good dies in my hand in Jesus's name.

I declare in the name of Jesus, that my financial blessings this year will not be determined by any governmental policy, economy or circumstances, but by the unchanging promises of God's Word. I believe and declare that God is my Source, and He has promised to supply all my needs according to His riches in glory. I believe God's provision is abundant, never lacking, and more than enough for every situation. I am not limited by my current financial status because I know that God's power to provide is infinite.

I declare in the name of Jesus; I am empowered by the Light of God's revelation that will shine in my heart this year to be a faithful steward of all the resources God has entrusted to me. I will give of my financial resources cheerfully and generously to God's work. I will not be slothful with God's business. I will be diligent and effective with my services in the house of God. Every seed I sow, in faith, in love, or in service, returns to me multiplied. My heart is open to every God's blessing that will be pronounced by the mouth of God's servant. I will experience financial increase in unexpected ways, through Career promotions, new Business ventures, and Investments.

I confess that by the Light I receive daily from the Word of God, I have the wisdom, I have the knowledge, and understanding to make sound financial decisions. I am disciplined in my finances, and I make choices that honour God and reflect good values. I have a mindset of abundance, not scarcity, and I reject any thoughts of lack, poverty, or limitation. God's Word says that His plans is to prosper me and not to harm me, and I stand firmly on this promise.

In Jesus' name, I declare that I am prosperous, I am favoured, and I am abundantly blessed in every area of my life, everyday.

All these I confess in Jesus name. Amen.
